# Dancers

- There are amusements, such as **dancing**, card playing, chess, checkers, etc., **which we cannot approve because Heaven condemns them.** These amusements open the door for great evil. They are not beneficial in their tendency, but have an exciting influence, ...

# **Celebrating the Messiahmas (1)**

- **the Messiahmas / Easter**
- **Let us remember that the Messiahmas is celebrated in commemoration of the birth of the world's Redeemer. This day is generally spent in feasting and gluttony. Large sums of money are spent in needless self-indulgence. The appetite and sensual pleasures are indulged at the expense of physical, mental, and moral power. Yet this has become a habit. Pride, fashion, and gratification of the palate have swallowed up immense sums of money that have really benefited no one, but have encouraged a prodigality of means which is displeasing to Elohiym. These days are spent in glorifying self rather than Elohiym. Health has been sacrificed, money worse than thrown away, many have lost their lives by overeating or through demoralizing dissipation, and souls have been lost by this means. MYP 311-312**

# Celebrating Adventist Church

- *the Messiahmas should be a special time **for bringing gifts to Yahuwshuwah.***—Yesterday was the Messiahmas. Did you do as the Wise Men did by offering your gifts to Yahuwshuwah? Or has the enemy changed the order of things, and directed the worship to himself? **The gifts are now bestowed upon friends instead of Him** who has made so great a sacrifice for us. **All the gifts** should flow in another channel, where they could be used in the salvation of men.—UL (upward look) 374; PaM 261

# Valentines

- **Valentine's day/ Mothers'/ Fathers'/ Pastors' days!**
- **Historical Adventism does not know what these are!**

# Music (1)

- **The Lure of Popular Music.—I feel alarmed as I witness everywhere the frivolity of young men and young women who profess to believe the truth. Elohiym does not seem to be in their thoughts. Their minds are filled with nonsense. Their conversation is only empty, vain talk. They have a keen ear for music, and Satan knows what organs to excite to animate, engross, and charm the mind so that the Messiah is not desired. The spiritual longings of the soul for divine knowledge, for a growth in grace, are wanting.. AH 407**

# Music (2)

- **... The instruments of music have taken time which should have been devoted to prayer. Music, when not abused, is a great blessing; but when put to a wrong use, it is a terrible curse. It excites, but does not impart that strength and courage which the the Messiahian can find only at the throne of grace while humbly making known his wants and, with strong cries and tears, pleading for heavenly strength to be fortified against the powerful temptations of the evil one. Satan is leading the young captive. Oh, what can I say to lead them to break his power of infatuation! He is a skillful charmer luring them on to perdition.**

**AH 408**

# **Music in Modern Adventist Church**

- **A view of one such company was presented to me, where were assembled those who profess to believe the truth. One was seated at the instrument of music, and such songs were poured forth as made the watching angels weep. There was mirth, there was coarse laughter, there was abundance of enthusiasm and a kind of inspiration; but the joy was such as Satan only is able to create. This is an enthusiasm and infatuation of which all who love Elohiym will be ashamed. It prepares the participants for unholy thought and action... AH 514**

# **Music in Modern Adventist Church**

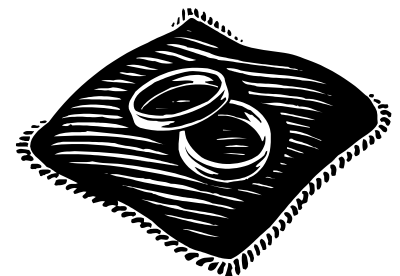

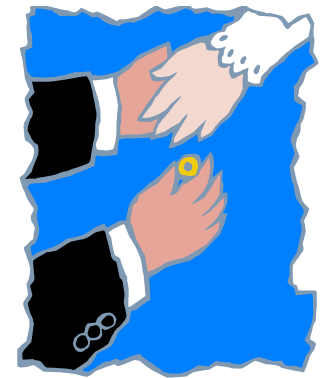

- **Many such gatherings have been presented to me. I have seen the gaiety, the display in dress, the personal adornment. All want to be thought brilliant, and give themselves up to hilarity, foolish jesting, cheap, coarse flattery, and uproarious laughter. The eyes sparkle, the cheek is flushed, conscience sleeps. With eating and drinking and merrymaking, they do their best to forget Elohiym. The scene of pleasure is their paradise. And Heaven is looking on, seeing and hearing all. AH 515**

# Modern Adventist Wedding

- **Wedding Rings**

- **Some have had a burden in regard to the wearing of a marriage ring, feeling that the wives of our ministers should conform to this custom. All this is unnecessary. Let the ministers' wives have the golden link which binds their souls to Yahuwshuwah the Messiah, a pure and holy character, the true love and meekness and godliness that are the fruit borne upon the Messiahian tree, and their influence will be secure anywhere. The fact that a disregard of the custom occasions remark is no good reason for adopting it. ... We need not wear the sign, for we are not untrue to our marriage vow, and the wearing of the ring would be no evidence that we were true. I feel deeply over this leavening process which seems to be going on among us, in the conformity to custom and fashion. Not one penny should be spent for a circlet of gold to testify that we are married. TM 180-181**

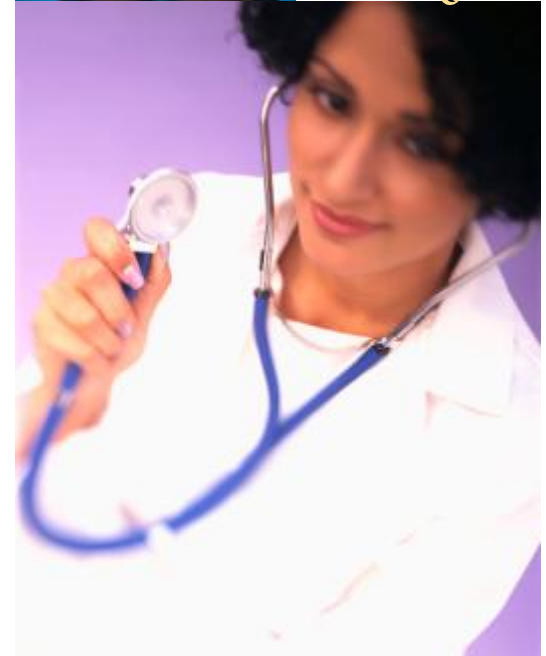

# Medical Apostasy

- **Worldly hospitals**

**“The light given me was that a sanitarium should be established, and that in it drug medication should be discarded, and simple, rational methods of treatment employed for the healing of disease. In this institution people were to be taught how to dress, breathe, and eat properly,—how to prevent sickness by proper habits of living.”**

# Back to Egypt

- **Abandonment of the Spirit of Prophecy.**
- **I am filled with sadness when I think of our condition as a people. The Lord has not closed heaven to us, but our own course of continual backsliding has separated us from Elohiym. Pride, covetousness, and love of the world have lived in the heart without fear of banishment or condemnation. Grievous and presumptuous sins have dwelt among us. And yet the general opinion is that the church is flourishing and that peace and spiritual prosperity are in all her borders. The church has turned back from following the Messiah her Leader and is steadily retreating toward Egypt. 5T 217**

# Spirit of Prophecy Ignored

- Abandonment of the Spirit of Prophecy.
- “Yet few are alarmed or astonished at their want of spiritual power. Doubt, and even disbelief of the testimonies of the Spirit of Elohiym, is leavening our churches everywhere. Satan would have it thus. Ministers who preach self instead of the Messiah would have it thus. **The testimonies are unread and unappreciated.** Elohiym has spoken to you. Light has been shining from His word and from the testimonies, and **both have been slighted and disregarded.** The result is apparent in the lack of purity and devotion and earnest faith among us.” 5T217

# Cozying up

- **The world is against us, the popular churches are against us, the laws of the land will soon be against us. If there was ever a time when the people of Elohiym should press together, it is now. Elohiym has committed to us the special truths for this time to make known to the world. The last message of mercy is now going forth. We are dealing with men and women who are judgment bound. How careful should we be in every word and act to follow closely the Pattern, that our example may lead men to the Messiah.**  
**5T236**

# Authoritarian Leadership

- **Precious light is to shine forth from the Word of Elohiym, and let no one presume to dictate what shall or what shall not be brought before the people in the messages of enlightenment that He shall send, and so quench the Spirit of Elohiym. Whatever may be his position of authority, no one has a right to shut away the light from the people. When a message comes in the name of the Lord to His people, no one may excuse himself from an investigation of its claims. No one can afford to stand back in an attitude of indifference and self-confidence, and say: "I know what is truth. I am satisfied with my position. I have set my stakes, and I will not be moved away from my position, whatever may come. I will not listen to the message of this messenger; for I know that it cannot be truth." It was from pursuing this very course that the popular churches were left in partial darkness, and that is why the messages of heaven have not reached them. TSS 65 (Testimonies on Sabbath School Work)**

# **Ecumenical Spirit!**

- **Seventh-day Adventists are now to stand forth separate and distinct, a people denominated by the Lord as His own. Until they do this, He cannot be glorified in them. Truth and error cannot stand in copartnership. Let us now place ourselves where Elohiym has said that we should stand. ... Letter 113, 1903**

## Appeal

**“Study the 9th chapter of Ezekiel. These words will be literally fulfilled; yet the time is passing, and the people are asleep. They refuse to humble their souls and to be converted. **Not a great while longer will the Lord bear with the people who have such great and important truths revealed to them, but who refuse to bring these truths into their individual experience.** The time is short. Elohiym is calling; will you hear? Will you receive His message? Will you be converted before it is too late? **Soon, very soon, every case will be decided for eternity.**”** MR Vol. 1 page 260.
